IN THE WORLD OF WINE, WE ARE EVER THE STUDENT.
WE INVITE YOU TO DISCOVER!

Our wine program continues to support the best of what Prince Edward County has to offer, with a strong focus on our world-class pinot noir and chardonnay. You will find our local selections divided into their respective sub-regions as each is a distinct terroir unto itself. We contrast and mirror these selections with examples from other top wine-producing regions throughout the world, with a particular focus on Burgundy, as our terroirs and climate are similar in many ways.

Our staff and sommeliers are always on hand to help you maximize the pleasure of your experience. We use Coravin technology to offer a diverse and exclusive range of tasting options from our extensive list. If you see something you would like to taste or need a suggestion, do not hesitate to ask as we would be pleased to accommodate.
